

Ahtasham Munir

Full Stack Developer

An independent and self-motivated graduate with Web Design and Development skills. I am hardworking and honest person. I am passionate to learn new technologies and methodologies to improve my skill set. Over the last two year I have developed websites from simple HTML websites to Full dynamic websites that use PHP, HTML, Bootstrap, AJAX and MySQL. Experienced in WordPress, PHP, MySQL, Angular, HTML, CSS. By working on a wide range of websites, I can develop everything from simple landing pages, too high level customization. I love doing all aspects of building websites from front-end to back-end.
